

Bring your child's imagination to reality. Email us your child's story in text (1-10 pages storytellers@internationaltales.com) and our professional story tellers will narrate and act them out for your child.

Please use the email link [storytellers @internationaltales.com](mailto:storytellers@internationaltales.com) to submit your stories. You will receive an invoice from PayPal within 24 hours of submission. Once your payment is received your story will be reviewed and we will suggest any additional modification. Once you approve the final draft, our talented storytellers will bring it to reality.

Do not wait! Our children do not stay children for long. This is one way to capture their fresh minds for years to come. Wouldn't they love to share these stories with their children when they grow up?
